The Thanksgiving dinner meeting was sooooo much fun! The teens brought in all the fixings pot luck style, I fixed the turkey. Dinner was served in the hall outside of the meeting room, and we all sat at one table. Speaker Tony Lucero joined us for dinner, and we had a wonderful time talking to him. Many thanks go to 'Thanksgiving Angels' Ann Reese, Ginny Wetzel and Carol Mulloy who helped set up and clean up!

The teens also went book buying at Barnes and Noble, purchasing \$447.88 worth of books for the children in Operation School Bell (OSB) The teens really enjoy choosing many of the books they read through the years for this program.

Next we'll be helping the Personal Rewards of Service (PROS) committee with their Christmas Party December 10. They will help the children decorate Christmas cookies and do some caroling. Lots of fun, lots of love, lots to do. 😊

Merry Christmas, everyone!

Leticia Plummer, Coordinator

The Assisteens had another fun and festive dinner on Monday, November 9. During this meeting we had a Thanksgiving feast complete with turkey, mashed potatoes, pumpkin pie, and a lot of other delicious holiday favorites.

Along with our dinner we had a fascinating guest speaker, Tony Lucero. Mr. Lucero is an entrepreneur who has made a living by becoming a hypnotist. He spoke to us about pursuing our dreams and that we do not always have to follow society's influence to be successful. Mr. Lucero ended his speech by hypnotizing me. Unfortunately we ran out of time so I was not able to experience the full effect of hypnosis.

In all, our meeting was a lot of fun and a great introduction to the holiday season.

Hilliary DeCarl, Chairman

Hi, everyone. Our Murrieta Chamber of Commerce Mixer was a huge success and definitely brought us what we were looking for. We had many people show up to this special event and many adults were even interested in signing their children up with Assisteens. We had two Assisteens there to help spread the word about us, and this helped very much.

New Members . . .

In the month of November three additions were made to Assisteens: Kristie Johnson, Madeline Pfeiffer, and Brad Ruder. Both Kristie Johnson and Madeline Pfeiffer were involved in Assisteens last year but they just rejoined this month.

Kristie goes to Chaparral High School and is in tenth grade. She plays on the school's varsity softball team as well as a travel softball team.

Madeline also attends Chaparral High School and is in tenth grade. She competitively cheers and is involved in Chaparral's Peer Leader program and ASB.

Brad Ruder also joined this month as a new member. He heard about Assisteens through his friend Jared Vance, who is also a member. Brad is a ninth grader at Linfield Christian School and enjoys playing video games.

Megan Eckard
1st VP, Membership

Time for a party. . .

The temps are definitely getting colder and I hear the familiar tunes of Christmas songs on the radio. This can only mean one thing: it's time for the annual Christmas Party with the PROS!

On December 10, the Assisteens and the PROS will gather together in anticipation of brightening the holidays for some very deserving children. Our joint venture is meant to give meaning and special memories for these children's Christmases. The Assisteens will decorate cookies with the the children and make this holiday season one to surely remember, with the help of the PROS, of course!

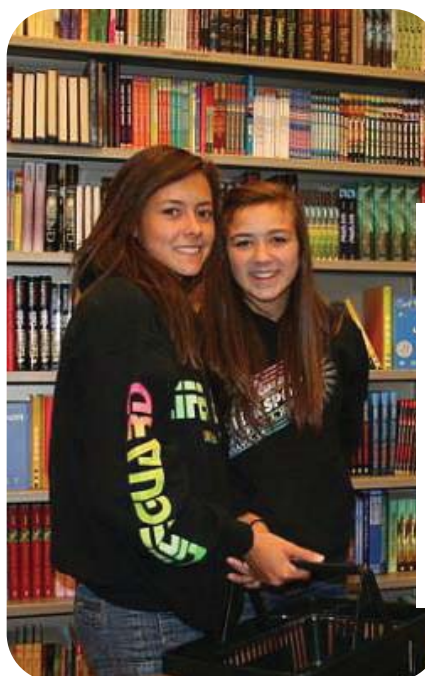

Annie Ng
2nd VP, Philanthropic Programs

Assisteens meeting
November 9

"Not what we say about our blessings, but how we use them, is the true measure of our thanksgiving."

Assisteens book buying at
Barnes and Noble November 11.
