

Here is some exciting news about a new group medical program now available for members of the Temecula Valley Chamber of Commerce. The program is Ben-e-lect and it promises to lower the cost of your group medical plans without reducing your benefits.

The results prove that the Ben-e-lect plan will:

- Lower a group's cost by 30% or more
- Improve benefits in nearly every situation
- Put members in control of their plans
- Lower cost and better benefits

If you would like to see how the Ben-e-lect Plan will work for you contact a Chamber member agent directly from the list below. Or better yet, your current agent can access the plan by joining the TVCC.
